

Important Information Regarding the Crown Point Car Cruise

The City is still working on the contract to acquire the property on West St. and are hoping to begin construction for a downtown Special Event Center. We plan to move the Car Cruise as well as many other events to the event center in 2017.

As the City prepares to develop this location, the Thursday evening Car Cruise beginning May 12th **will change its time to 5-8pm and remain on the Square for the 2016 Season.**

Participants are urged **NOT** to arrive prior to 5pm to respect the businesses on the square. Anyone arriving prior to 5pm to save a spot for the night's event will be asked to leave and return at the designated event time.

DJ sponsorship opportunities are currently available for the Car Cruise and businesses are welcome to sponsor alone or partner with others and split the cost. Sponsors of the event will be permitted to set up a booth on the evening they sponsor to sell any product or services, and be announced by the DJ several times during the event.

To sponsor the DJ please contact our Special Events Office at 219-662-3290.
